The perfect venue for your Small Shower or Event

We would love to host your bridal or wedding shower or other small event in our parlor, dining room and living room. We provide the room and beverages (iced tea, lemonade, or hot cider) and we do the clean-up! We can accommodate a **maximum of 25 attendees** per event. You can bring your own food, or we can have it catered, and you may provide your own paper goods (plates, cups, napkins, etc.) or rent our glass dishes. Event times on weekends are limited to afternoons between noon and 3:30. We have many colors of table linens to coordinate with your shower's theme.

Event rates – \$35 per hour, normally a 2-hour minimum applies. Time is charged from the first person's arrival to the last person's departure. If it happens that you end up with more than 25 guests, there is a \$10 fee for each additional person over the 25-person limit.

Dish rental – \$15 for rental of glass plates, cups, glasses and silverware.

Catering – We can have the event catered – costs vary depending upon the menu choices. Call us and we can work out a customized menu for your shower.

Please note: NO confetti and NO stiletto heels for events, as the heels ruin our historic wood floors and the confetti tracks everywhere. We also ask if possible that you leave your younger children with a babysitter. **Well-supervised** children 8 years old or over are fine.
